DIRECTOR GENERAL PROJECT SEABIRD

NAVAL HEADQUARTERS, NEW DELHI

CONSULTANCY SERVICES FOR DESIGN AND CONSTRUCTION SUPERVISION FOR DEVELOPMENT OF ARMAMENT STORAGE FACILITIES FOR PROJECT SEABIRD PHASE-IIA AT NAVAL BASE KARWAR

NOTICE FOR EXPRESSION OF INTEREST

1. Indian Navy proposes to undertake augmentation of the existing Naval Armament Depot (NAD), Missile Technical Position (MTP), Common Facility Area (CFA), Naval Armament Inspectorate (NAI) and construction of additional facilities including Roads, Bridges, Water tanks and Electrical utility services etc at Naval Base, Karwar. The purpose of this Expression of Interest (EoI) is to short list reputable and capable Design Consultants with proven record, who could be appointed as Design Consultant for NAD/MTP/CFA/NAI and other civil infrastructure required to be constructed in Phase-IIA of Project Seabird.

2. The previous Design Consultant has completed detailed design upto 85% design stage (Ready for Tender) which has been vetted by IIT, Madras (for critical structures) and has been approved by Employer. Provisional approval for the design has also been accorded by CFEES. The selected Consultant would have to undertake following consultancy tasks towards further design/ development of NAD/MTP/CFA/NAI and other facilities: -

(a) Study of DPRs and interact with Project Management Consultant (PMC) to understand the design stage evolution upto 85% stage, review Design documents prepared by previous Design Consultant, take ownership of all available design documentation/ undertake modifications to the existing Designs, if necessary and complete the 100% detailed design.

(b) Prepare AE's in MES format and undertake activities towards vetting and approval of AE's by E-in-C branch in coordination with HQPSB and PMC. Reference can be made from the AEs prepared by the previous Design Consultant.

(c) Undertake Pre-Qualification (PQ) process to shortlist capable and experienced Contractors, prepare Tender document for finalising works Contractor and advise

HQ Project Seabird on as required basis. Reference can be made to the draft tender documents prepared by previous Design Consultant.

(d) Project Management during Construction Phase. Undertake site supervision, quality assurance, certification of work/ bills, monitor/ review progress of work upto defects liability period.

3. Reputable Consultants having capabilities and past experience, proven track record, adequate technical and financial resources in undertaking similar works in this specialised field of Armament storage facilities and civil infrastructure should submit their Expression of Interest with relevant details on or before **19 Oct 2026** to '**The Director General Project Seabird, Naval Headquarters, E-126, East Wing, 1st floor, Nausena Bhawan, Delhi Cantt – 110010**'.

4. Interested firms may collect Expression of Interest document from above office from **22 Sep 2026** to **05 Oct 2026** during working hours (Mon-Fri, 0900-1700 Hrs excluding closed Holidays). The document will also be made available on CPP Portal.
